Adam Schuld

DesignGumption@gmail.com | (708) 203 - 5932
1850 Whitley Ave | Los Angeles, CA

My objective is to find a cause that is creatively empowering. I get after it.

Education

Illinois Wesleyan

B.A. in Marketing - 2011

- President of Law Society
- Distinguished IWU broadcast personality

The Illinois Institute of Art

A.A. in Graphic Design - 2012

- Local Outreach design winner
- Member of AIGA, AMA, STA Chicago

Experience

Freelance - Design Gumption   5/12 - Present

Freelance clients ranged from individuals, startups, to small businesses. Graphic design and web development for a variety of industries. Focus was on applying UX principles in creating measurable, results driven design for engaging experiences.

Creative Director - Sporrior   12/12 - 8/13

Responsible for developing the Sporrior brand from an idea into a product. Took the vision for the business and made it authentic visually as a web product. Moved into the role of Creative Director to act as a bridge between high-level planning and development implentation. Created the marketing materials and managed marketing interns.

Marketing Intern - Wildman, Harrold, Allen & Dixon LLP   5/09 - 9/09

Primarily involved in improving the efficacy of the firm's modern marketing outreach. By analyzing metrics of digital campaigns through Google Adwords, we could better understand the pitfalls of past campaigns and apply those lessons to future approaches.

Business Analyst - LocalLaunch   5/08 - 9/08

I optimized and improved the performance of businesses' web profiles. By researching and then testing keyword generation, I improved the traffic on every profile I was assigned. The analytical improvement I made to the SEO process allowed me to transfer positions and focus on researching templates that would assist every analyst in the field.
